

Yavapai County Republican Committee  
Approved Resolution, September 14, 2024

Border invasion

The United States of America is being invaded at our southern border and the invaders are receiving help from the Biden/Harris administration.

Whereas the Biden/Harris administration took numerous executive actions to open our border to illegal aliens, and

Whereas Kamala Harris was appointed "Border Czar" by the Biden/Harris administration and did nothing to secure the border, and

Whereas the United Nations and other NGOs aid illegal aliens travelling to the southern border, and

Whereas executive actions taken by the Biden/Harris administration have done nothing to lower the number of illegal aliens crossing the border, and

Whereas upon arrival in the United States illegal aliens are given hotel rooms and food assistance, and

Whereas the Department of Homeland Security has released an app to facilitate the invasion, and

Whereas since Biden/Harris took office 11 to 22 million illegal aliens have entered the USA, many of whom are on the terror watch list or known criminals, and

Whereas Article 4 Section 4 of the U.S. Constitution requires the federal government protect the states from invasion, and

Whereas the Biden/Harris administration has facilitated the invasion.

Therefore be it resolved that the Yavapai County Republican Committee declares the Biden/Harris administration is facilitating and aiding the invasion of the state of Arizona and the United States of America.
