

Yavapai County Republican Committee
Approved Resolution, September 14, 2024

Rights of Citizens are being violated by illegal aliens.

Every citizen of the United States has a right to life, liberty and the pursuit of happiness, illegal aliens violate these rights.

Whereas every citizen of the United States of America has God given, constitutionally protected rights to life, liberty, and the pursuit of happiness, and

Whereas Laken Riley, Jocelyn Nungaray, and countless others had a right to live, and

Whereas every week there are women and girls who are raped and murdered by illegal aliens, and

Whereas every week there are police officers killed by illegal aliens, and

Whereas these murders would not have taken place if the Biden/Harris administration did not intentionally open our border, and

Whereas our government was founded by the people to protect the rights and liberties of our citizens.

Be it resolved that the Yavapai County Republican Committee:

1. Finds illegal aliens a threat to the unalienable rights given to the citizens of the United States of America by God and guaranteed by the Constitution.
2. Demand that the US and Arizona Governments close the borders to protect the Rights of their Citizens.
